The IMMORTAL ZIN

Gnarley, twisted and over 100 years old, PEIRANO ESTATE VINEYARDS old head pruned, natural rooted Zinfandel vines continue to retain their "immortal" status, as they have seen six generations of Peiranos tend to them. These ancient vines continue to produce intense, mature, elegant fruit here in the heart of the Lodi Appellation, allowing us to produce this alluring bottle of "Immortal" Zinfandel Wine.
